President's Corner - *Terri Gorman*

Our last event for the year ended with a great Christmas Party at the Bold Knight Bistro in downtown San Jose on Thursday, December 7th. In honor of the anniversary of Pearl Harbor, I asked all WWII veterans to please stand. Amongst them were our members Ralph Reichhold and Don Wiggin, both foot soldiers, and Bob Meuse, who flew a B24 Liberator. Maybe, Bob Meuse would like to be one of our guest speakers and tell us about his aviation career as a B24 pilot in WWII!! Let's ask him.

Congratulations to Andy Werbach who completed his Lancair Legacy and transported it down to Hollister to fly off the hours. Andy shares his hangar with Brian Dal Porto who is building a Quick Build RV7.

Also, we have a recently soloed pilot in our midst, Sydney Lee, studying for his Private Pilot License at Amelia Reid Aviation, soloed in early December. Congratulations, Sydney.

I have several tentative plans for our chapter for 2007. You can rest assured that I will be calling upon you to help out. We will be having a Fly-In Swap Meet and inviting other EAA Chapters to join us. The Swap Meet will take place at the VICTORY Hangar. Gregg Victory wants to help our chapter. Our monthly EAA fly outs will continue as will our mid-month social fly outs. I would ask all of you to let me know what you want from the chapter this year. I am here to direct the chapter in a positive leadership role, but I cannot do it without your help.

Our Guest Speaker for January will be Dr. Tiffany Davies, an AME/Aviation Medical Examiner, who will speak on passing the Medical for all pilots.

Bruce Frank will be bringing back the Chapter Raffles at all our upcoming meetings.

I'm looking forward to seeing all of you again and starting the new year off right IN A HANGAR!

Fly / Drive safely,

Terri

FLYING GOURMETS

The last fly out for the year for the Flying Gourmets took us to Columbia on a very clear day, no wind, and very crispy. The temperature was 45 when we landed at Columbia, but a short hike into town warmed us up.

Joining us in their Cavalier were Richard Moriarity and Ralph Reichhold and in his Lancair, Pat Johnson. Rich Grialou showed up after the meeting time, but managed to enjoy the good flight.

GENERAL MEETING

This year, President Terri Gorman set up a terrific holiday Dinner Meeting at the Bold Knight Bistro in downtown San Jose. Terri had suggested including Chapter 338 in our celebration and this turned out to be a great idea. Besides the decorations, the Chapters were treated to Glenn Miller music to help commemorate Pearl Harbor Day which happened to be the same date this year as our Dinner.

Following the Dinner, Teri presented awards to the past year's officers and board members. In addition, there were special awards given to Russ Todd for flying the most Young Eagles this year, his son, Russ Todd Jr., for working ground crew and creating software to make printing YE Certificates run more smoothly, and Jack Cross for his help in setting up for each General Meeting. Ralph Reichhold was recognized for his tireless efforts to provide refreshments each month. Jack Bowlus was recognized for his generous and timely donation of a large shed for storage of Chapter 62 equipment. Jack also donated the use of a forklift for placement of the shed! Finally, Terri recognized Martin Hollmann, Chapter 62 Tech Counselor and aircraft designer, who has given so generously of his time for our Chapter. Martin is one of our favorite speakers and has invited us over to Monterey to see his new projects and visit his company, Aircraft Design, Inc., for the past 2 years. There was much applause and appreciation for the contributions of all these folks!

The president of Chapter 338, Mark Russell, was next to present awards to his Chapter for exemplary service. These volunteers also received a well deserved round of applause.

Next came the raffle drawing overseen by Roger Kopp. Donated prizes were 2 EAA Calendars (donated by our Chapter) and two Harris Ranch Steak Dinners plus a free VFR roundtrip flight to Harris Ranch (all donated by Rusty Wells).

RHV Hangar Space Available

I have an open spot in my hangar. The Swift Hangar is at the end of RHV row Juliet in the gray concrete tilt-up building. It is a shared, well-lit hangar with concrete floors and a bathroom. One spot is available immediately and another opening will be coming up in about a month. The rent is cheaper than a T-hangar at \$350/month and has much better lighting and workspace.

Meeting Minutes (continued)

This year we had a silent auction to benefit the Education Fund. Items donated for auction were: a beautiful handmade quilt (made by Barbara Wardrip), a flying jacket (donated by Randy Wilde and made by Sharon Sweeney), a level (donated by John Garliepp), a book on aircraft design (written and donated by Martin Hollmann), and a beautiful hand painted saw blade (by Carol Garliepp) plus two fleece throws (also by Carol Garliepp). Bob Kindlund donated a mouse pad from the AOPA Convention.

The large crowd totaled 81 at this year's Dinner.

Adjournment was at approx. 9:30 pm

Officers and Board Members present were: Jon Garliepp, Terri Gorman, Brian and Paulette Dal Porto, Randy Wilde, Ron Carmichael, Jack Bowlus, Wolfgang Polak, Rusty Wells, Jim Manley, Martin Hollmann and Allen Roark

BOARD MEETING MINUTES

RHV Airport terminal building,
San Jose, CA

Terri Gorman called the meeting to order at 7:30 pm in the Terminal Board room.

Terri asked Jim Manley if he had a speaker lined up for the February meeting. Jim said it would be Guy Minor, but if Guy could not make it, he had a backup.

Terri asked Bob Kindlund if the newsletter deadline would remain the same. After a brief discussion it was agreed that the deadline would remain the 20th of the month and the newsletter would be on the website or mailed on later than one week prior to the next meeting.

Ron Carmichael read the minutes from the December Meeting/Christmas Party and they were approved with minor corrections.

Treasurer, Randy Wilde, distributed the financial report for the month and it was approved as read. The details will be posted on our website. As part of the annual renewal with national EAA, the board discussed the type of insurance required, and made a selection, which was approved.

Officers and Board members present: Terri Gorman, Jim Manley, Jon Garliepp, Randy Wilde, Ron Carmichael, Wolfgang Polak, Allen Roark, Bob Kindlund

Show and Tell

Bill and Gina O'Sullivan opened 'their workshop' for chapter members to view the building of Bill's Bearhawk.

Before the Bearhawk could be built, Bill and his sons had to build a Work Shop for it, and after several years of going back and forth to the City of Santa Clara Council Meetings for approval of the Work Shop, the shop was completed and the Bearhawk now stands inside of it. Bill and Gina, also, own and fly a Bonanza which they keep at Frasier Lake. (I wonder if Bill could build us a hangar for our meetings!!)
