## President's Corner - *Terri Gorman*

This year has flown by too quickly for me. It is now time for our November Nominations of Officers and Board Members. The Nominations will be held at the November Meeting, so show up and vote. The leadership of this chapter depends on you.

Our November Guest Speaker will be Zdrako who owns Amelia Reid Aviation and will be speaking on Sport Pilot flying. If possible, he will bring a Sport Pilot plane and have it on display.

Our October meeting was held in Gregg Victory's Hangar. Our guest speaker was Jeff Lo who showed slides on his adventures at the Reno Air Races. Jeff's plane, Ms. Gianna, was on display for viewing by members.

Visitors at the October meeting were Bill Watson, Chapter 338, Larry West, Murlin Lee, who is joining our chapter and Mike and Pam Arnor, Chapter 110.

I am checking into ordering Polo Shirts for the chapter. We will have our chapter name imprinted on them and, in some cases, we will have our N number and our personal name. The prices run around \$35.00. As I have more information, I will keep you posted.

Our Christmas Party will be held at the Bold Knight Bistro in downtown San Jose, located on North First Street between Hedding and Mission. Deadline is November 27th. The reservation form is online and for those of you who prefer to receive your newsletter in the mail, the Reservation Form was sent to you attached to your October newsletter. Please fill out the form, including the check, and mail it to me. We are inviting EAA Chapter 338 and 110 to join us, along with the pilots from South County Airport who help fly at our Young Eagle Events throughout the year.

A Silent Auction and Raffle will be held at the Christmas Party. The Silent Auction will include items made and provided by Carol Garliepp, Paulette Dal Porto, Barbara Waldrip and Randy Wilde. The Raffle will be two 2007 EAA Calendars and two steak dinners at Harris' Ranch donated by Rusty Wells.

On Saturday, November 18th 11:30 AM, we will be returning to Cal Pacific Airmotive at the Salinas Airport and taking a tour of Art Teeters shop where he and his staff restore P-51's. His daughter, Lori, has invited our chapter back for a visit. After the tour, we will have lunch at the restaurant on the field.

Art Teeters and Sean Tucker will be receiving an award for their outstanding aviation contribution through the Aero Club of California.

Our meetings are now held in Gregg Victory's Hangar located adjacent to 13 Left at Reid Hillview Airport. Gregg is an A&P and does Prop Balancing. He wants to become very involved with our chapter and to support us. Adjacent to his hangar, he has 25 tie down spaces with a few available to rent. So, if you are looking for a tie down spot and/or a place to keep your plane out of the elements of weather, stop by and talk to Gregg. He will be at all our meetings

and loves to talk about airplanes.

Fly safely,

Terri

### GENERAL MEETING

Minutes from the Chapter EAA 62 General Meeting, 10/5/2006

President Terri Gorman started the official part of the meeting at 7:30 pm at our new location in Kregg Victory's hanger on the north side of the field (formerly Magnum Aviation). Terri thanked Kregg for being so generous in donating the use of his hanger for our Chapter meetings. Kregg does prop balancing and is an A&P. He also rents spaces for aircraft tie downs. Terri had talked to over 18 people on and off the airport trying to find a new location. Kregg came to her without even being asked and volunteered his hanger. Kregg received a huge round of applause!

Following the introduction of guests, Terri described the "silent auction" gifts that have been donated for this year's Christmas Party. She also reported that the new calendars are now available.

Newsletter minutes were approved by a voice vote. The financial report is online for review.

A show of hands suggested that Terri should investigate purchasing polo shirts for the Chapter. She announced that the Christmas party this year will be at the Bold Knight Bistro in downtown San Jose. Chapters 338 and 110 have also been invited. Sign up using the online form and send to Terri by Nov. 27. Terri also announced that we need a replacement for the Board seat occupied this year by Larry Reed. If you are interested, see a member of the "Nominating Committee" (Terri, Rusty Wells and Ron Carmichael).

Brian Dal Porto gave a short report on the progress he's been making on his airplane since our last meeting.

Terri said we are sending out 38 copies of the Newsletter and that there are about 20 receiving these who also are online. Her plea is for all to use the online edition and stop the need for a mailed copy which is time consuming to mail and costly to our chapter. An added plus is that you get to see our terrific website that is updated regularly by Wolfgang Polak!

Tonight's speaker was Jeff Lo. Jeff had parked his beautiful race plane, Miss Gianna, in the hanger for all to see. He finished 2nd in the Biplane Gold Division race at Reno this year. Last year he emphasized how the airplane was put together. This year's talk/slide show was more focused on the new modifications and the work involved in being at the air race. This was enjoyed enormously by all. Thanks to Jeff for a great evening.

Meeting was adjourned at 9:45 pm

I have an open spot in my hangar.

One spot is available immediately and  
another opening will be coming up in

than a T-hangar at \$350/month and  
has much better lighting and  
workspace.

### **BOARD MEETING MINUTES**

RHV airport terminal building,  
San Jose, CA

The Meeting began at 7:30 in the Terminal Board Room with V.P. Jim Manley presiding in lieu of Terri Gorman who was out of town celebrating her 45th anniversary. Congratulations to Terri and Bob!

Minutes from the General Meeting were unavailable and will be posted on the website for review.

Treasurer, Randy Wilde, distributed the financial report for the month. He pointed out that our profit/loss comparison shows that our Gen. Fund has had relatively heavy expenditures for this year. It was pointed out that we can move funds from the Ed. Fund to the Gen. Fund if absolutely necessary. The many educational functions of the Chapter were discussed. The details of the report have also been posted on our website. The report was approved as read.

It was reconfirmed that all are behind Terri's effort to order T-shirts and the new polo shirts (with pocket) for sale.

A discussion was held concerning how to better advertise and yet control the number of expected Young Eagles at future events.

Wolfgang Polak suggested that a mailer be made up with all current member info on it, a place to correct it and a solicitation to renew the membership for those whose membership is about to expire. This will cost us some labor (to reach about 75 members) as well as postage. Larry suggested we also send them to past members (going back 3-4 years) to try to increase membership. Randy pointed out that we had a bulk rate at one time, but it required several hundred items to be mailed out and would not work for the single sheet format Wolfgang suggested. All agreed that sending out these notices would be a good idea. Brian Dal Porto also suggested that we add a note about our being in the new location.

Paulette suggested discounting membership dues for a member who is willing to get the Newsletter online only. Various possible discounts were discussed which would save the Chapter money.

Wolfgang suggested that we should definitely invite our new hanger owner, Kregg Victory, to the Christmas Dinner. It was agreed that Terri should make the invitation to Kregg ASAP. Also, getting a really

good speaker was deemed desirable for future Dinners – we once had Paul Poberezny!

It was determined that Ron C. should put together a ballot for the November meeting listing the slate of officers and board members who are willing to run. This should also include a space for a write – in candidate who might be nominated at the November General Meeting. In the future, it was agreed that we need to have a nominating committee made up of members not currently sitting on the board or as officers. Larry Reed also suggested that we need to be more proactive in encouraging members to run for the positions by contacting them directly and making requests.
